BADGE USE REGULATIONS FOR THE 2026-2027 ACADEMIC YEAR

Each guest is given a badge for access to the main entrance.

This badge is associated with their room number; each access is recorded and verifiable in real time by our computer system.

The badge is personal, non-transferable, and non-duplicable; it must be returned at the end of the stay, along with the room keys.

Loss of the badge incurs a penalty of €100. If the loss or improper use of the badge results in dangerous situations or situations that violate the internal regulations (for example, the entry of strangers), the guest is subject to a penalty of €500, subject to assessment of further compensable damages and any civil and criminal liability. Duplicating the badge for any reason costs €100.

The badge is valid only during the boarding school's opening hours and exclusively from 6:00 a.m. to 1:00 a.m. Outside these periods and hours, the door is locked and entry is not possible, even by ringing the bell.
